ALL ALONG THE DOCKS**PACIFIC MAIL STEAMSHIP BELGIC ARRIVES.**

Two Vessels in Ballast for the Sound Tomorrow—The S. C. Allen's Big Cargo—Gossip.

The schooner Louis hauled alongside the railroad wharf to discharge her cargo of coal this morning.

The Helen Denny was to have gone to sea today, but Capt. Smith could not get ready in time. He will sail for the Sound tomorrow.

The bark Albert and barkentine Archer sailed from San Francisco for this port on the 4th, and the schooner Olga for Kahului on the 6th.

The Mohican finished discharging at noon today, and at once commenced taking in sugar. Capt. Saunders expects to have a full cargo in time to sail Saturday.

The ship Reaper hauled out into the stream yesterday afternoon and is making ready for sea. She still lacks about 100 tons of a full cargo, but the next steamer will supply that.

The four-masted barkentine Ensenada sails for the Sound in ballast tomorrow. Her berth at the railroad wharf will be taken by the A. J. Fuller. The latter vessel is now loading at the Ingard wharf.

The Pacific Mail steamship Belgic, Capt. Friele, arrived this morning, having left San Francisco on the 8th. Pleasant weather was enjoyed on the run down. The list of cabin passengers is rather light.

When the Peru sailed from San Francisco the Ingard, S. C. Allen, Alden Besse and Transit were up and loading for this port, and the John G. North for Honolulu. The Transit was to sail the 9th, the Alden Besse on the 11th. Arrived in San Francisco from Hawaiian ports: May 30, brig Consuelo, 20 days from Mahukona; May 31, bk. S. C. Allen, 23 days from Honolulu; June 2, bktn. S. N. Castle, 19 days from Honolulu; June 5, schr. William Bowden, 25 days from Honolulu.

The Waialeale returned this morning from her special trip to Molokai with the remains of the late Mr. Meyer. Those who returned were: Geo. Campbell, G. L. Edwards, C. Lucas, A. Bishaw, Daniel Logan, Rev. S. Desha, Mrs. J. Lucas, E. Dann, W. Mutch and D. McCriston.

The bark S. C. Allen, which arrived some days ago from Honolulu brought 1300 tons of sugar, though she is of but 632 tons measurement, says the Chronicle of the 8th. The staterooms were filled with sugar. Just twenty-four hours before reaching port the Allen ran into a heavy gale, but Capt. Johnson kept all sails set so as to make port, as he had been delayed so much by head winds on the way up.

which contains the fle h-building and medicinal power of the oil, extracted by us from Fresh Cod Livers. The taste and even the smell are thoroughly disguised. In addition to the reconstructed oil, the preparation has the rare curative virtues of the Syrup of Hypophosphite. Extracts of Malt and Wild Cherry Bark. Taken before meals it aids digestion, enriches the blood repairs waste, renews strength and vigor and prevents and cures Rheumatism, Bowel Complaint, General Debility, Lung troubles, and all diseases due to impurity of the blood. Palatable as honey. Sold by chemists.

HEALTH DEPARTMENT, BUFFALO, N. Y.

TO WHOM IT MAY CONCERN:
I take great pleasure in saying a few words regarding the merits of WAMPOLE'S PREPARATION. From a long experience in the use of Cod Liver Oil, I have no hesitation in saying that I regard this as the best preparation of Cod Liver Oil on the market. It is pleasant to the taste, can be tolerated by the most delicate stomach and is productive of the most marvelous results in all cases where it is indicated.
It can be given to persons who have a strong antipathy to oils of all kinds, with out their knowing what they are taking. I predict for this article a field of usefulness and an extensive demand.
